

BUSINESS IS BOOMING

Business is Booming, that's right **Business Is Booming in 2012**

Forget recession, double dip and the doom and gloom, forget the Eurozone... **Forget it all**

Remember that throughout modern history fortunes have been made in the midst of the worst of economic times. Find out how. Here are the numbers **90, 5 & 6**

In this **90** minutes business improvement workshop you will see the 3 fundamentals of success

you will see the **5** ways to grow your profits

Understand the **6** steps to build a better business

We promise **90** minutes jam packed with "Good Stuff" Essential information for the successful business leader.

The truth is that there are no get rich quick formulae that work.

The good news is this isn't a get rich quick scheme What you will see are some business fundamentals that have been proven to work each time and every time.

Guarantee

I personally guarantee that you will come away from this evening with

- renewed focus on the right things
- energy to do what is necessary
- belief in your own ability

And above all I guarantee you at least 5 ideas capable of transforming your business performance.

Success does not happen by accident. The world of business is the most challenging environment known to man.

Get it right and the rewards are fantastic. Get it wrong and there is a price to be paid.

Start

7.30pm

**Guaranteed
FINISH**

In 90 minutes we will show you the differences that will make the difference.
"Business success comes from doing the right thing in sufficient quantities over a long enough period of time"

If you want to understand what is the right thing, for you and for your business you need to attend.

We have even made this workshop free. **Can you afford not to be there?**

This seminar will be presented personally by Ian Kinnery, who has been running successful businesses for 25 years and as European Coach of the Year has been coaching businesses owners and business leaders to be even more successful for the last 7 years. He will share with you the knowledge and experience of those years. You cannot afford not to be there.
